

Woodstove Replacement Program

Receive up to **\$950** when replacing your old woodstove

\$950 to replace your old woodstove with a heat pump

\$650 to replace your old woodstove with a gas, propane or electric stove

\$350 to replace your old woodstove with a new certified woodstove

EPA or CSA certified woodstoves that are over 5 years old and wood-burning inserts installed in an open hearth may be eligible for replacement. Please contact the CVRD to find out more about the Woodstove Replacement Program requirements. Visit cvrd.bc.ca/woodstove, call 250.746.2530 or email es@cvrd.bc.ca.
