

## What will happen because of Think *Shawnigan*

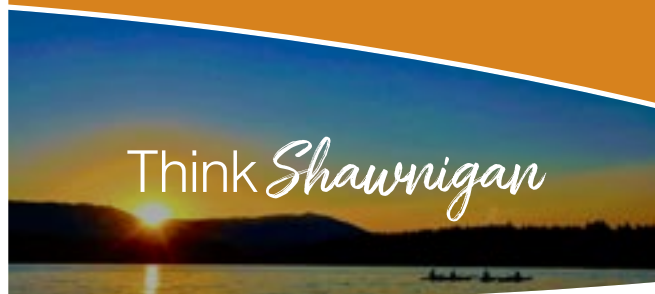

It is too early to say exactly what the outcome of Think Shawnigan will be ... However, based on the community's ideas, the report will include a design concept for:

- 💡 Big picture items: improvements to people's mobility, level of desired development, amount of future retail or commercial space, meeting the housing challenge.
- 💡 Detailed designs for the streets, public realm, and other improvements.
- 💡 Three-dimensional drawings that illustrate the recommendations.
- 💡 Design guidelines that will help with making decisions about future development in the Village.
- 💡 Action plan to jump-start improvements in the Village.

## Who is involved?

MVH Urban Planning and Design has been hired to prepare a Village Centre Vitalization Design Plan. With the help of Shawnigan community residents, business owners and stakeholders, this design plan will help build a community that we can be proud of.

# Think *Shawnigan*

Development Designed  
by Community  
*Your invitation to participate!*

Think *Shawnigan* is an intense design and planning process generating creative ideas for the future look and feel of Shawnigan Village. There are many opportunities for community input and participation in this process. The outcome will be a highly visual, long-term vision for the heart of Shawnigan Village, based on the community's ideas.

## How can you be part of Think *Shawnigan*?

### June 24th to September 30th Online Survey

[survey.professional-planning.com/vhata\\_shawnigan](https://survey.professional-planning.com/vhata_shawnigan)

All residents, business owners, students, visitors,  
are welcome to participate!

### September 20th: Youth Input

The future of Shawnigan is our youth.

Opportunities for high school  
students are taking shape.

Email [ThinkShawnigan@gmail.com](mailto:ThinkShawnigan@gmail.com) with your ideas.

### September 21st: Community Gathering

Shawnigan Lake Community Centre 25th Anniversary,  
celebrating the strength and diversity of the Shawnigan  
community. This is your time to stop by, meet the  
designers and share your vision for Shawnigan.

Bring your ideas!

## Community Involvement: Intensive Design Week\*

### October 17th: Ideas Fair

7:00 p.m. – 8:30 p.m.

Roundup of all the input gathered so far. Drop in,  
review, and add to the ideas for Shawnigan Village.

### October 18th: Studio Drop-in

4:00 p.m. – 6:00 p.m.

Meet the designers and see how the community  
ideas are being shaped in terms of design  
directions for enhanced street design, meeting  
places, pedestrian connections, as well as  
housing and commercial development.

### October 19th: Public Presentation

4:30 p.m. – 6:30 p.m.

Draft design concepts and early directions  
presented. See detailed sketches of the designers  
interpretation of Shawnigan Village based on  
community input and ideas.

### December 2019

Final designs, report and presentation.

(Specific dates to be confirmed.)

\*All events held at the Shawnigan Lake Community Centre.

## Which part of Shawnigan Village will be affected?

The Think Shawnigan process will  
look at the area along the lakeshore  
from Shawnigan Wharf Park to  
Masons Beach Park, and from  
Bellendean Road in the west, along  
Renfrew and Hipwood Road in the  
north, Wallbank Road in the east,  
and Thrush Road in the south.

The area was chosen because  
community members have  
expressed a concern about the  
undeveloped property across  
from the community centre and  
accessibility within the Village itself.

## Think *Shawnigan* Study Area
