Summer Explorers

Ages 6 - 10
Explore our valley in these action-packed weekly camps. Not only will kids have fun with camp crafts and games, but we will try sports and activities with a different theme each week. We will be on the go each day so bring lots of water, a big healthy lunch, sunscreen, and a hat.

Our primary focus this summer is to ensure the safety of children and staff in our camps. Additional health and safety protocols have been put in place to minimize the risk. We ask that you read and consider our Summer Camp Procedures closely prior to registering your child. These procedures can be found at www.cvrd.bc.ca

Byte Camp

Have a look at www.bytecamp.ca for thousands of great samples from previous years! Lots of time during the week is devoted to outdoor activities so that your child is always fresh for new challenges. Final projects will be posted online and handed out on a take-home USB.

## Byte Camp - Music Video Production

Ages 9 - 12

Make your own music and music video! Camp time will be split between digital music composition, video filming and editing. Use amazing software tools to craft your very own song from scratch. We will show you the basics on beats, baselines, chords and melodies so that your song will sound awesome. Experiment with video, special effects and editing techniques to make the video as cool as your tune.

Monday - Friday | July 6 - 10 | 9:00 a.m. - 4:00 p.m.
5 Days $325 | Code: 26357

Byte Camp - Introduction to Coding
Ages 9 - 12

Discover how much fun it is to build your own game! Students will be introduced to basic coding skills with easy to use drag-and-drop software, and get to use those skills to make their very own games. Students will also learn how to create their own 2D vector artwork to make characters and levels that are entirely their own. The final project is a game that you can take home on USB or proudly share with friends online.

Monday - Friday | July 13 - 17 | 9:00 a.m. - 4:00 p.m.
5 Days $325 | Code: 26360

Byte Camp - 2D Video Game Design
Ages 11 - 14

Learn how to build an HTML5 game from the ground up using awesome free tools. Time will be spent learning how to create advanced 2D vector artwork and animated character sprites to make your game look great. The final project is a game you can take home on USB or proudly share with friends online. Some coding experience or Byte Camp's - Intro to Coding is recommended as a prerequisite.

Tuesday - Friday | Aug 4 - 7 | 9:00 a.m. - 4:00 p.m.
4 Days $280 | Code: 26359

Byte Camp - Claymation Movie Production
Ages 9 - 12

Make your own clay characters come to life, just like Shaun the Sheep! Participants will work with a partner to build their own clay characters, sets and props; develop their own script; shoot their movie scenes; and then learn to edit and add sounds and special effects to complete the whole project. Don't worry parents, there will be plenty of time devoted to outdoor games and activities!

Monday - Friday | Aug 17 - 21 | 9:00 a.m. - 4:00 p.m.
5 Days $325 | Code: 26362

Byte Camp - 3D Animation
Ages 11 - 14

Ever wonder how those awesome 3D animated movies like Shrek, Toy Story and Frozen are made? Spend the week learning how by modeling, animating and telling your own stories in 3D. You'll use Blender, a wonderful (and free) 3D software, to design characters that jump off the screen and then make them come alive by adding voices, soundtracks and completing your own animated short film. Final projects are usually group projects with each student contributing a character and a scene.

Monday - Friday | Aug 31 - Sept 4 | 9:00 a.m. - 4:00 p.m.
5 Days $325 | Code: 26363
