Scooter Skills Camp

Parent & Participant Guidelines During COVID-19

Dear Scooter Skills camp participants,

Welcome back to Kerry Park Recreation Centre!

We recognize that the opportunity to recreate, socialize and stay active are an important aspect of your overall health and wellness. During this time, our primary focus is to ensure the safety of staff, instructors, and participants. In order to provide the highest level of safety, CVRD will follow guidelines set out by WorkSafe BC, Public Health, and provincial organizations.

We ask that you strictly adhere to the guidelines and directions provided to you.

Prior to Attending

Prior to attending your session you must follow through with the following steps.

- You should assess your personal risk and motivation to ensure that attending a public recreation program is in your best interest. You may seek to ask your health care provider what is right for you.
- Review the provided guidelines for your program or activity (next page).
- Complete and submit the COVID-19 Assumption of Risk & Permission Form.
- Prior to the start of each session screen yourself to ensure that your attendance to the facility is appropriate.
 - Please ensure that you or someone in your household is not experiencing the following symptoms: fever, sore throat, cough, difficulty breathing, or sneezing.
 - If you feel you are suffering from any other symptoms such as flu like symptoms including diarrhea in the last 24 hours you are expected to stay home.
 - If you have travelled outside of Canada in the last 14 days, or been in contact with anyone that has displayed symptoms of COVID-19 in the last 14 days, you are expected to stay home and self-quarantine.
- Discuss any concerns or questions with Kerry Park programs staff or your instructor.

Please note that changes to this program have been put in place to minimize the risk to staff, participants, and instructors. Additionally, greater health and safety precautions have been put in place to minimize the risk at the facility.

We look forward to greeting you soon.

Kerry Park Recreation Centre Staff

Program Guidelines for Scooter Skills Camp

Location: Kerry Park Skate Park and Sports Fields Complex - Arrival/Departure

- **Arrival 9:30 a.m.** - Participant drop off will take place at the Sports Field Complex. Parents to ensure they are maintaining a 2 meter physical distance if there is more than one family dropping off at the same time.
- Staff and Parent/Guardian will maintain a 2 meter physical distance; staff to make attempts to keep same physical distance with child if at all possible.
- Staff will ask each parent 5 health screening questions, similar to screening items listed on page 1. Entry will be denied to any person, including the child, if any member of the household does not pass the screening.
- If it is confirmed that the child is healthy to attend, parents will say their goodbyes and staff will verbally take responsibility of the child who is now in our care.
- Child will proceed to the washroom to wash their hands (staff member to supervise ensuring proper handwashing procedure completed).
- Once all the participants have arrived Staff will walk them down to the Skate Park.

- **Departure 11:30 a.m.** - Participant pick up will take place at the Kerry Park Skate Park.
- Parent/Guardian will remain in gravel parking lot beside Skate Park; parents will ensure they maintain 2 meter physical distance if there is more than one family picking up.
- Staff to provide a verbal update on how the day went and verbally pass care of child back to parent/guardian.
- Parent to accompany child to ball field washrooms to conduct handwashing prior to leaving the park or use hand sanitizer provided by staff.
- Staff member to sign child out of our care.

IMPORTANT - if it is raining, signage will be posted and this program will be moved indoors to the Kerry Park Curling Rink. Entrance will be at the front of facility through the main glass curling doors. Other Arrival/Departure procedures will remain the same.

While Attending Program

- Please arrive just a few minutes before camp and be on time for pick up.
- All participants will be encouraged to maintain a 2 meter physical distance from each other, their belongings, and will not share equipment.
- Participants will be encouraged to minimize the items and surfaces that they touch and practice appropriate respiratory and hand washing hygiene.
- Snack and bathroom break will be implemented halfway through each session. Handwashing will occur before and after.

Physical Distancing in a Program Setting

- Understandably, physical distancing is challenging in a program/camp setting. The focus in these settings is to **minimize physical contact**. At the same time, it will be important that staff do what they can to assist children in learning about physical distancing. Staff will use creative ideas and visual cues, and split children into smaller groups sizes for activities throughout the day when possible.
